SUN EAST TEAMS WITH LOCAL SCHOOL DISTRICT
TO FURTHER EDUCATE YOUTH

Concordville, PA- Garnet Valley high school and Sun East Federal Credit Union teamed up on Friday April 22, 2005 for a 'job shadowing' day. The staff of the Concordville branch of Sun East invited Frank Craven, a junior at Garnet Valley, to join them for the day for a first hand look at financial operations, customer service, teller procedures and much more. Craven is interested in a career in banking and has already begun considering local Universities such as Drexel, Delaware and Penn State to further his education.

The experience was made possible through the efforts of Brian Walker, Sun East's Concordville branch manager and Garnet Valley's Academic Advisor, Carol Law. "It was a pleasure having Frank here and this experience is something Sun East would like to continue to offer in the future," said Walker.

Sun East Federal Credit Union, founded in 1949, is a Federally Chartered Credit Union with over \$285 million in assets serving the financial needs of approximately 40,000 members and over 570 employers and organizations in Pennsylvania, Delaware, and New Jersey.
