

## 2019 Annual Golf Classic Tuesday, September 17<sup>th</sup>

For the benefit of:

## Survivors Of Abuse in Recovery - SOAR

[www.survivorsofabuse.org](http://www.survivorsofabuse.org)

SOAR is the only non-profit organization in the Mid-Atlantic providing professional mental health services to victims of sexual trauma and their families regardless of their ability to pay. With 1 in 10 children experiencing sexual abuse before the age of 18, the demand for SOAR's services continues to climb. Economically disadvantaged children, adolescents and adults turn to SOAR to help them overcome the psychological damage caused by the trauma of sexual abuse.

## Child Guidance Resource Centers

[www.cgrc.org](http://www.cgrc.org)

Child Guidance Resource Centers (CGRC) is a non-profit community based provider of behavioral health services to children, adolescents and families across southeastern Pennsylvania. CGRC has over 60 years of experience providing assessment and treatment services to over 9,000 children each year with emotional, behavioral and developmental needs. Our mission is to inspire hope, to empower and to contribute to the well-being of children, families, and adults throughout the five county Philadelphia region by delivering evidence-informed behavioral health services and community-wide wellness programs.

## Sun East Charitable Foundation

[www.suneastfoundation.org](http://www.suneastfoundation.org)

The Sun East Charitable Foundation works with local charities and organizations that support families in the Brandywine Valley with financial contributions. This tournament sponsors two organizations that help enable their clients a better quality of life.

The Sun East Charitable Foundation is the charitable arm of Sun East Federal Credit Union created in 2011 to serve the health, education, and well-being of those in the Greater Brandywine Valley Area. The Foundation will provide funds to registered charitable organizations with the primary focus on student development, charitable, and community organizations that support the development of humanitarian efforts.

The Foundation is governed by a volunteer Board of Directors who works with the Executive Director.

*"It is our mission to find resources for benevolent organizations that work towards improving lives of the people in our community."*
