Sun East Federal Credit Union volunteers do all the above - *and much more!*

As a member-owned financial cooperative, Sun East relies on member volunteers to serve on its Board of Directors and Supervisory Committee. Volunteers ensure financial soundness and guide strategic and policy decisions in a wide variety of areas including technology, branch deployment, product development, marketing, and member service. By becoming a Sun East volunteer, you can help your credit union continue to grow and respond to member needs. Volunteering also provides an exciting opportunity to learn, develop business and leadership skills, and network with others.

Sun East volunteers are an integral part of Sun East's success!

How Sun East volunteers serve...

Volunteers, who come together for the sole purpose of representing the best interests of Sun East's members, are the cornerstones of what makes credit unions unique. Our volunteers enrich the lives of all the members they represent and enhance their own leadership, management, and financial skills.

Supervisory Committee Members:

Committee members are appointed by the Sun East Board of Directors on an annual basis to protect the assets of the credit union. The Supervisory Committee verifies credit union records, monitors financial controls and procedures, and works with Sun East's audit firm. Committee members typically meet on a monthly basis and have access to free training and education to help them fulfill their role.
